KidPak Discovery

Birth - Pre-K 5

In KidPak Discovery, we focus on building biblical foundations that your child will carry with them throughout their entire lives. Our goal is for your child to leave with the confidence of knowing that they are loved by Jesus.

With our trained teachers, your child will engage in age-appropriate learning activities, Bible stories, and songs during service.

KidPak

Kindergarten - 6th Grade

Your child will be immersed in a praise and worship service with dynamic messages delivered by our incredible team. Our mission is for your child to leave here with confidence in their knowledge of the Bible.

During each service, they will focus on Bible memorization, building God-centered relationships, and most importantly, building a personal relationship with Jesus.

Just For You

We understand that the traditional classroom setting is not ideal for every child. Whether your child needs physical and/or emotional accommodations, we here at Free Chapel KidPak & KidPak Discovery have a place for you.

With smaller classroom ratio sizes, we pray that our Just For You rooms will provide an environment for children to feel comfortable and enjoy their time at church.

Our KidPak and KidPak Discovery Just For You rooms take place during specific service times, offered at designated campuses. Please locate a leader at your campus for them to give you additional information.

**“The Lord bless you and keep
you;
The Lord make His face shine
upon you,
And be gracious to you;
The Lord lift up His countenance
upon you,
And give you peace.”**

Check-In / Registration

KidPak & KidPak Discovery

If you are visiting for the first time, before walking your child to their classroom, they will need to be registered in our system. To make sure they are correctly registered, you can either use our online or in-person system. Making sure they are registered correctly will ensure their safety while they are in our care.

Once registration is completed, you will be able to go to your child's respective classroom.

Drop-Off / Pick-Up

KidPak & KidPak Discovery

Both you and your child will receive a set of stickers upon drop-off. One will be used for the classroom roster, one will be placed on your child for identification, and one will be given to you for secure pick-up.

Children are never permitted to be picked up by an adult without their "Parent Pick-Up" sticker. If lost, a duplicate copy can be reprinted for you by our team with proof of a valid driver's license.

If our team needs to reach you during service for any reason, we will first send a text message to the phone number on file and then, in case of emergency, we will call you directly.

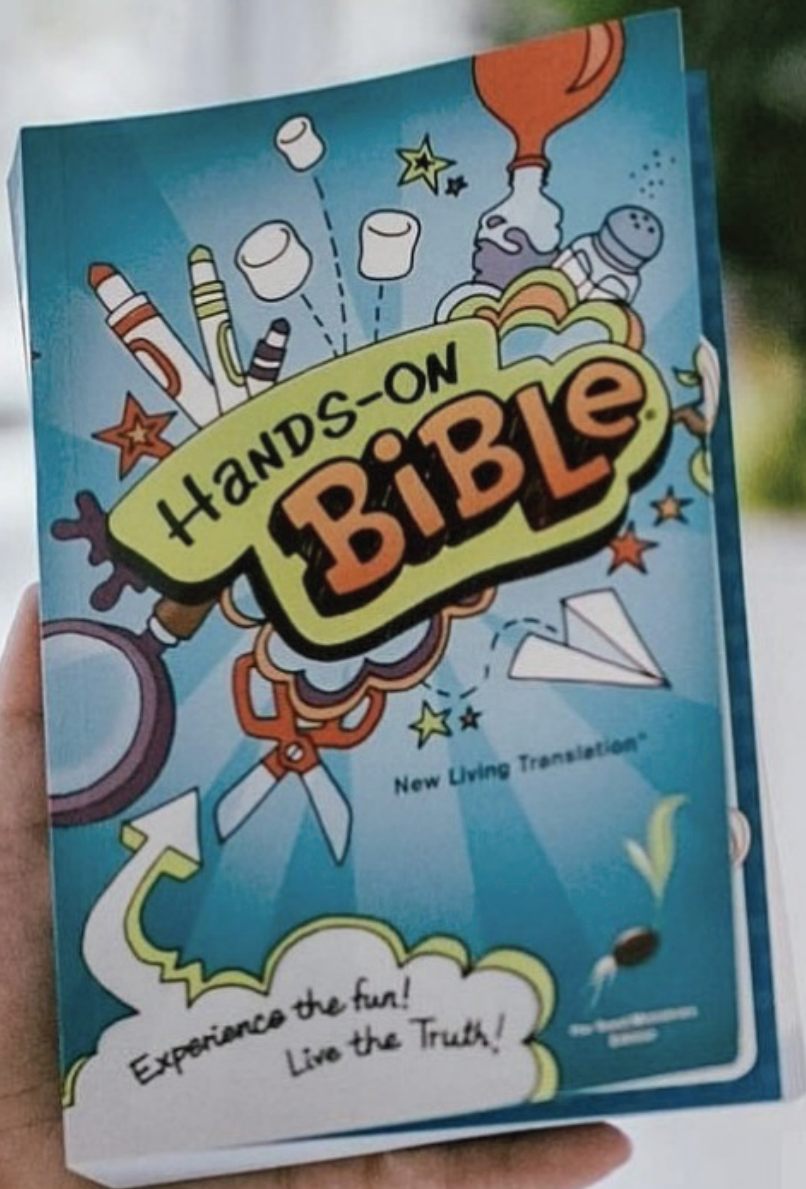

Security

While in our care, your child's safety is our highest priority. All staff and volunteers who interact with your child have been properly background-checked and/or fingerprinted through the local Sheriff's Department and have been trained on our emergency procedures.

All adults who interact with children will be either wearing a KidPak/KidPak Discovery vest or wearing an identifying name tag.

Every campus has a designated security team present at all times. There will always be a security member at both our KidPak and our KidPak Discovery entrance points.

During service, entrance doors to children's areas will be closed to ensure your child's safety. If at any point during service you would like to pick up your child, you are free to do so. If you have any questions or concerns about your child's safety, please connect with a team member.
